'Echoes of the Past' promises to be the first major family history show for the county. S&N will be providing specialist help, talks and advice on the day, both companies will have products and special offers available to visitors.

Echoes of the Past is a brand new event that will be at the Epic Centre, Lincolnshire Showground, Lincoln on Sunday 27th October 2013 from 10am to 4pm.

The event is aimed at helping people learn more about family history research in Lincolnshire, what resources are available and hints and tips to help researchers along the way. It will be a great way to experience memories of Lincolnshire, with particular focus on aviation, agriculture and engineering- three main industries that featured in many people's lives.
