

Press Release:

TheGenealogist adds to its ever growing Parish Records collection

[TheGenealogist](#) has added a further **322,894 individuals** to its continually increasing collection of Parish Records with the release of a set from the English county of Suffolk.

These East Anglian church registers have been fully transcribed and **linked to images** of the actual pages from the books that were once kept by the Anglican Parish Churches. From before Victorian times and the introduction of Civil records, as the Established Church of the state, these important Church of England documents recorded the baptisms, marriages and burials of our Suffolk ancestors. In some cases these important records will allow family historians to find their ancestors as far back as the 16th century.

Parishes in this release include: Ashby, Belton, Blundeston with Flixton, Bradwell, Burgh Castle, Carlton Colville, Corton, Fritton, Gisleham, Gorleston with Southtown, Gunton, Herringfleet, Hopton, Kessingland, Kirkley St Peter & St John, Kirkley St Matthew, Knettishall, Lound, Lowestoft Christchurch, Lowestoft St Andrew, Lowestoft St John, Lowestoft St Margaret, Mutford, Oulton Broad, Oulton St Michael (Oldton), Pakefield, Rushmere, and Somerleyton.
